All,

This is the plan that will be reviewed on June 26 at the Kanab HQ at 1:30pm.

Please review and comment prior to meeting.

We will primarily be discussing the most pressing issues and ensuring that LE Rangers are fully aware of management guidance and direction.

The key areas are: Grazing, Travel Management, SRP's, and SAR.

Harry,

Though this is GSENM specific there is enough similarity that you or someone on your staff may want to participate so that responses are consistent as much as management plans allow.
